**Subject : Department Transfer.**

**Shri Thaneswar Basumatary asked :**

35. Will the Minister of W.P.T & B.C. be pleased to state:

(a) In the M.O.S. of BTC Accord, Relief and

Rehabilitation department is given to B.T.C. but this department is not transferred to BTC till date?

(b) What steps has been taken by the State Government of Assam to transfer the Relief and Rehabilitation Department to BTC?

(c) Why this department has not been transferred to BTC inspite of clear mention in the MOS of BTC?

**Smti. Pramila Rani Barhma (Minister, W.P.T. & B.C.)**  
**replied :**

(a) In the M.O.S. of BTC Accord, the Subject of Relief and Rehabilitation is to be entrusted to the BTC. It has not yet been transferred.

(b) Process to transfer the subject to BTC has not yet been completed.

(c) As per para 13 of MOS of BTC Accord, the Special Rehabilitation Programme (SRP) for the people affected in ethnic disturbances in Assam who are at present living at relief camps in Kokrajhar, Bongaigaon etc. shall be completed by the Govt. of Assam with active support of BTC. Necessary funds for rehabilitation shall be provided by the Govt. of India and lands which are free

from all encumbrances required for such rehabilitation shall be made available by the BTC.

But the fund has not been received from the Govt. of India and also required land could not make available. So, Govt. has to provide fund for rehabilitation of the affected persons living in relief camps in the districts of Kokrajhar, Chirang and Bongaigaon. At present, the affected people are gradually vacating the relief camps after receiving the R.G. and it is expected that the process will be completed soon.

After completion of the para 13 of the MOS of BTC Accord, the transferring of the subject will be considered.
